Gentlemen:

Reference is made to your letters of February 2, 1962 protesting the committee expense item of the 1962 Ogden River Budget. Friday, April 6, 1962, Mr. Harvey Stone visited this office and inquired into our handling of this matter. A copy of our letter to Mr. Fjeldsted, Secretary of the Ogden River Committee, is enclosed. We believe this covers our views in the matter.

In addition, you have requested a break-down of your assessment showing the difference this item might make. The following chart has been prepared in compliance with your request.

Company	5-yr. average	1962 assessment dollars	Assessment with- out committee expense, Budget item
	<u>ac.-ft.</u>	<u>dollars</u>	<u>dollars</u>
Lynne Irrigation Co.	2527.36	95.96	77.75
Bertinoti Irrigation	582.50	22.12	17.92

We trust this letter will answer your questions and that you will continue to cooperate in distribution of the Ogden River waters.

Yours very truly,

Wayne D. Criddle
STATE ENGINEER
